Hi Andrea, I hope it's ok to send this to your personal email, if I'm overstepping, I apologize.

I wanted to write to express my enthusiasm for having Greg Tomb setting up his glassblowing shop in North Creek next year, and possibly longer. From a business standpoint, I can tell you that it drew a lot of visitors to North Creek. I know this because I heard my customers talk about it and I saw them with their pieces. I also fielded many questions about it. I was curious myself, so I took the class he offered from his website (which was so simple and easy to sign up for) and was so impressed with Greg's professionalism and kindness and enthusiasm. I would highly recommend the Town of Johnsbury Board approve his proposal to set up shop again.

Sincerely,
Fondly,
Sarah Williams
