Youth Committee Meeting

Present: Trena Riedinger, Kelly Nettle, Kate Hartley, Jeremy Williams

Absent: Christine Carew, Deb Morris,

The committee approved the minutes from the July meeting.

Treasurer's Report: Our total balance in our 'grant' account to date is approximately \$5,600.00

On-going Business:

Activities Report:

We are feeling a great loss without Paul helping with our after school programming, but Kate's art classes are still going on, and Trena agreed to ask Chris if she would be willing to run a tennis class, or if she knows someone who would. (Note: I did speak with her and she is not able and is brainstorming about another possibility.)

Jeremy and Chris agreed to put together some ideas for after school activities, as they are excited about some potential things that we can get the kids involved in or at least give them an opportunity to be exposed to. Jeremy suggested a cooking class.

We did not get to work on the Purpose statement but agreed to review it ourselves and tweak it as necessary.

New Business:

The committee started an analysis of the status of our budget to determine what money we have and to start to decide where we can spend it. The committee also started to brainstorm about possible upcoming events. The committee agreed to support 1 session for the Dome soccer in the winter. We also realized that we need to improve our post event/program summary form, as we do not have the info that we would like to get back from the program leaders. Kelly agreed to work on that as she has the original.

Trena agreed to get info regarding a possible trip to Adk Xtreme over Columbus Day weekend for an older group of kids and Jeremy agreed to check out a place called Ellms Family Farm for a group of younger kids. We also agreed to have a table at the school Open House the Youth Committee to advertise our program and events. We hope to have a schedule ready to give to people as well.

Summer Youth Program/Ski Program--We agreed to have another ski swap,

despite the lack of turn out the last 2 years. We will try to have it at the Joe Minder Lodge at Ski Bowl, and we will pass out the info for it with the ski applications. Kelly will follow up to find out when they are passed out, etc. We did not get to discuss the summer youth program, but Kelly will follow up with Ann to remind her that we would like the job descriptions and to get a review from the summer.

The meeting adjourned at 6:45pm.

The committee will meet the first Wednesday of each month at 5:30. Location tbd.

All are welcome to attend.
