

Adirondack Teen Leadership And Service

ATLAS

The **ATLAS** program is put on by the Johnsburg Youth Committee and is offered to **Adirondack high school aged students** who *don't* run with the pack. If you are someone who questions, thinks, and wants to be your own person – then we want you! We meet **once per month** (usually on Saturdays) in North Creek. Each session has a different theme with one month being a volunteer activity.

If your actions inspire others to dream more, learn more, do more and become more, you are a leader.

- John Quincy Adams

- Professional facilitators come from all over the Northeast to be a part of this amazing experience. **It is active, interactive and social. No lectures! No tests!**
- Your life will never be the same.
- The ATLAS Class of 2017 will be the **FIFTH** class to graduate from this program, which runs from **October-March**.
- Graduates have included students from **Johnsburg, Minerva, North Warren & Warrensburg.**

Will you be next?
