Subdivision Application #178-06 Ona Dunkley to June Cropsey
After affirmation that there were no more questions, motion for approval was made by Mr. Donovan, seconded by Mr. Vanselow. Motion carried 7-0.

Subdivision Application # 177-06 Morris
Applicant was represented by Attorney Frank DeSantis who informed the Board the applicant has eliminated the easement and all lots will be accessed by Holland Road. The turn around in the road is maintained by the Town and is adequate for emergency vehicles. Lot 6 will be a non-buildable lot and there will be 5 lots buildable. Motion for Mrs. Osterhout made a Public Hearing for 6:45 December 18, 2006 seconded by Mark Bergman motion carried 7-0.

Presentation By Front Street
Formal Presentation was presented by Front Street Development Corp. A detailed presentation showing number of buildings, types of buildings and locations of buildings. Presentation included in detail what would be included in each Phase of the Project, to be three Phases in all. The applicants discussed the time frame that they would like to see happen. The applicants talked about the actions so far with the APA and the reactions to requests they have received from them. Part of the presentation was regarding the Equestrian Center, Golf Course and Skiing and said that there were still some items to finalize. The LA Group is the Engineering firm for the applicants and is looking forward to working with the Board and the Town to bring this project to fruition.

Chairpersons Report
Mrs. Osterhout announced that the Public Hearing for the New Land Use Plan is on December 13, 2006 at 6:00 P.M at Tannery Pond Community Center and the Board is encouraged to attend.
Mrs. Osterhout signed one map this month it was for Mrs. Lavery and the Town of Johnsburg at Wevertown, New York.

Developers need to name the internal roads on the subdivision projects presented so the Board can give tentative approval and pass the names to the Town Board for approval so the names are valid on the Mylar when it is presented for recording. That is the only way 911 numbers can be issued for National Grid to begin their work.

December 5, 2006 will be the second meeting in December for the discussion for Front Street only at 7:00 P.M. at Tannery Pond Community Center.

ADJOURNMENT; On a motion by Mr. Heidrich, second by Mr. Bergman, the meeting was adjourned at 8:53 P.M.

Respectfully submitted,

Marion Monroe, Secretary
