**COMMITTEE REPORTS:**

OLD BUSINESS:

Supv. Goodspeed recognized Warren County Board of Elections Commissioner William Montfort who presented Supv. Goodspeed with the \$12,000.00 reimbursement check for work done to improve the handicapped parking area at the Wevertown Community Center. The federal grant was secured by Commissioner Montfort to upgrade the parking area of the Wevertown Community Center when it was selected as the single site for all voting districts in the Town of Johnsbury. Supv. Goodspeed thanked Commissioner Montfort for the check and his assistance in securing the grant.

Supv. Goodspeed updated the Town Board on research into combining riders for several Johnsbury Youth Committee projects into a single inclusive rider. The insurance carrier charges a minimum of \$500.00 per single rider added; the programs sponsored by the Youth Committee have already created a \$500.00 rider to the policy. The planned additions would if combined make a total of \$1400.00 from which the already created rider charge of \$750.00 would be subtracted. If not combined the riders would add at least \$2000.00 of insurance expense to the Town Taxpayers. Supv. Goodspeed asked the Town Board to approve the combined insurance rider package.

RESOLUTION NO. 46

Mr. Morehouse presented the following resolution, and moved its passage with a second from Mr. Arsenault, to authorize the Supervisor to arrange for the combining of the following Johnsbury Youth Committee riders: cross country skiing, skating, baseball and soccer into a package with a total cost of \$2160.00 less the \$750.00 already paid. With 5 members voting in favor, the resolution is declared carried. Ayes-5 (Arsenault, Morehouse, Stevens, Vanselow, Goodspeed) Nays - 0

Supv. Goodspeed informed the Town Board that he was trying to work with ORDA to find working funds to operate the interconnect lift. In an effort to accomplish this and assist ORDA in freeing up operating funds Supv. Goodspeed suggests canceling the Snow removal and beautification Occupancy Tax funded contract and moving the funding from that project into an advertising contract with ORDA for Gore Mt. Since the awarding of the contract for Main Street snow removal the Warren County DPW has done a much better job of clearing snow in the North Creek commercial area and Supv. Goodspeed asked that the Town Board cancel this contract.

RESOLUTION NO. 47

Mr. Stevens presented the following resolution, and moved its passage with a second from Mr. Arsenault, to cancel the Town of Johnsbury Snow Removal and Beautification Occupancy Tax Contract which was to expire in May 2009 and returning the \$8000.00 from the contract to the Occupancy Tax funds. With 5 members voting in favor, the resolution is declared carried. Ayes-5 (Arsenault, Morehouse, Stevens, Vanselow, Goodspeed) Nays - 0

Supv. Goodspeed informed the Town Board that there had been held on the previous Thursday a meeting at the Copperfield Inn to discuss the economic agenda; the meeting was arranged by Mr. William Widlund and present were business owners, bankers and political leaders. Mr. Arsenault, an attendee, noted that Senator Elizabeth O'C. Little and Member of the

Assembly Teresa Sayward were present for a frank discussion of area economic issues. The interconnect lift and its operation were discussed. Supv. Goodspeed said that he had suggested that the Town of Johnsbury place some funds for advertising in cooperation with ORDA. Supv. Goodspeed asked the Town Board to authorize a resolution of support for ORDA to operate the Interconnect Ski Lift in order to attempt to organize regional support for the operation of the interconnect lift.

RESOLUTION NO. 48

Mr. Morehouse presented the following resolution, and moved its passage with a second from Mr. Vanselow:

WHEREAS, Gore Mountain Ski Center operated by the Olympic Regional Development Authority is an economic strength of unparalleled proportion for multiple towns and counties in upstate New York, and

WHEREAS, after many years of planning including engineering and legal work Gore has proposed to pursue an interconnect between Gore Mountain as it presently exists and the North Creek Ski Bowl at the edge of the hamlet of North Creek, and

WHEREAS, in pursuit of this interconnection the Olympic Regional Development Authority has purchased a triple chair lift to install at said Ski Bowl Park which will permit a ski able connection in both directions between Gore Mountain and the North Creek Ski Bowl permitting skiers and tourists more substantial access to the hamlet of North Creek, and

WHEREAS, such changes including the interconnect and other recent developments will help to render Gore Mountain amongst the five largest vertical ski experiences East of the Mississippi River, and

WHEREAS, the New York State Comptroller has estimated the interconnect lift alone will result in 74,000 additional skiers visiting Gore Mountain annually with an influx of 1.8 million dollars in revenues to the ORDA/Gore budget, and

WHEREAS, the New York State Comptroller estimates that the interconnect will generate 7.4 million dollars to the local economy,

NOW, THEREFORE, BE IT RESOLVED the Town Board of the Town of Johnsbury urges the Olympic Regional Development Authority to fund operations of the interconnect at its earliest possible convenience and aggressively pursue installation of the lift and trail system necessary to fulfill the interconnect.

With 5 members voting in favor, the resolution is declared carried. Ayes-5 (Arsenault, Morehouse, Stevens, Vanselow, Goodspeed) Nays – 0

Supv. Goodspeed updated the Town Board on the regarding cell tower siteing. At the economic meeting Supv. Goodspeed had asked for volunteers to work on this issue; Mark

Bergman, Greg Taylor and Kelly Nettle have volunteered already. Supv. Goodspeed asked that any interested persons speak to Secretary Cherie Ferguson following this meeting.

Supv. Goodspeed reminded the Town Board of their fifty percent funding level of Occupancy Tax requests made at the last meeting; additionally, he has reviewed the requests in conjunction with Secretary Cherie Ferguson and Accounts Clerk Candace Lomax and suggests the inclusion of all Town of Johnsburg requests not recommended by the advisory committee and the reduction of all recommended requests by a percentage to allow for the funding of the Town requests in the amount of \$4400.00. Supv. Goodspeed asked that the Town Board approve of the requests at his suggested levels. Occupancy Tax Committee Chairman Mrs. Kelly Nettle said that the Occupancy Tax funding should not be used for snow removal or funding the Chamber of Commerce. Mr. Arsenault explained that the committee was making recommendations to the Town Board and that the Town Board sometimes will make changes with those recommendations; he added that the Town Board finds the Occupancy Tax Committee very helpful. Supv. Goodspeed said that the Town of Johnsburg has a much more open process than any other town in the county. Mrs. Nettle suggested the Town board place a cap on requests; Supv. Goodspeed agreed that this might be helpful and suggested getting representation from the requesting groups together to discuss the process and expectations. Mr. Vanselow asked about the "branding" request by the Chamber of Commerce in 2008; he wanted to know if the Chamber had raised the matching funds that the Town Board had required and if the contract had been filled. Supv. Goodspeed replied that the contract had not been fulfilled; as of yet the Chamber of Commerce had not raised the matching funds. Supv. Goodspeed added that Mr. Edward Milner was convinced that the matching funds would be in place very soon if the Town Board would allow the contracted funds to be rolled over into the current year. Mr. Mark Bergman noted that grant awarding agencies usually are very stringent in the funds being used during the specified period. Supv. Goodspeed suggested having Mr. Milner at an upcoming Town Board meeting to present his side of the discussion.

#### RESOLUTION NO. 49

Mr. Vanselow presented the following resolution, and moved its passage with a second from Mr. Stevens to allow the contracts to be drawn for the following Occupancy Tax Requests in the amounts listed with each: Town of Johnsburg in the amount of \$225.00 for the purpose of advertising in the Gore magazine; Town of Johnsburg in the amount of \$5500.00 for the purpose of Fireworks for the Independence Day Celebration; Town of Johnsburg in the amount of \$696.57 for the purpose of Beautification; Town of Johnsburg in the amount of \$3000.00 for the purpose of Promotion/Publicity for the Town by the Chamber of Commerce; Town of Johnsburg in the amount of \$8000.00 for the purpose of a Joint Advertising Campaign with ORDA; Upper Hudson Festivals, Inc. in the amount of \$1898.21 for the purpose of advertising the 6<sup>th</sup> Annual Bluegrass Festival; Hudson River White Water Derby in the amount of \$1712.14 for the purpose of advertising the 52nd Annual Hudson River White Water Derby; North Creek Business Alliance in the amount of \$4293.31 for the purpose of a Promotional Video; Dollars for Scholars in the amount of \$1693.09 for the purpose of advertising the Race the Train benefit; North Creek Railway Depot Museum in the amount of \$1198.76 for the purpose of Promoting the museum; Friends of the Johnsburg Parks in the amount of \$450.00 for the purpose of Promoting the "Xtravaganza"; the North Creek Farmers Market in the amount of \$3577.21 for the purpose of

With 5 members voting in favor, the resolution is declared carried. Ayes-5 (Arsenault, Morehouse, Stevens, Vanselow, Goodspeed) Nays – 0

Supv. Goodspeed introduced Mr. Cork Nester representative of the Thurman Connection Snowmobile Club to renew the discussion of the possibility of using the Glen Creek Road as a snowmobile road. The snowmobile club would like permission to run on the shoulder of the road for much of the Glen Creek Road to allow connection with a snowmobile trail to the western end of that road; the distance would be approximately 6 miles. Highway Supt. Daniel Hitchcock explained that the road is very narrow in spots and that there is a steel deck bridge to be crossed as well. Mr. Vanselow was worried about the possibility of snowmobiles meeting snow plows on the road with no avenue of escape. Supv. Goodspeed suggested that a representative of the club go with Supt, Hitchcock for a review of the road from both viewpoints and try to have a report for the next meeting. In a related issue Supv. Goodspeed explained that there is a problem of snowmobile traffic in the streets of the hamlet of North Creek; Mr. Nester replied that the club has no authority off the trails. Ms. Ann Brassel suggested that a part of the problem was inadequate signage on the trail leading people to follow local riders onto private property; she asked that signage be put in place that clearly shows that the tracks leading onto the private property are not a part of the trail. Mr. Nester said that a sign to that effect had been posted this week; he added that he would check to be sure that it was still in place; Supv. Goodspeed suggested improving the signage on the trail. Ms. Brassel said that she had spoken with law enforcement agencies and that the Warren County Sheriff's Office had agreed to step up enforcement in the area; she asked that the Town Board to put pressure on the Sheriff's Office to step up enforcement. Ms. Brassel added that she was happy to have the snowmobilers in town as long as they stayed on the trails.

Supv. Goodspeed told the Town Board that Mr. Mark Bergman of the Johnsbury Emergency Squad was present to make a request of the Town Board and that Mr. Arsenault had met with Mr. Bergman at the Sodom Community Center to discuss the issue. Mr. Bergman explained that the Emergency Squad while pleased that the Town board allowed them the use of a space in the Sodom Community Center the space was too small and that the squad was requesting permission to expand into the community portion of the building. Mr. Bergman said that the cramped quarters were a problem in recruiting volunteers or other staff to join the squad. Mr. Robert Nettle had provided drawings for a requested expansion into the main room; these plans would reduce the public portion of the building from 44' x 36' to 32' x 36'. The planned expansion would allow for a second sleeping room, more lounge space and more office space, while leaving a substantial community room. Mr. Bergman added that the squad is looking toward a grant for the building of a new headquarters building within the next two or three years. Mr.

Arsenault was supportive of the request and agreed that the squad was housed in a very small area.

RESOLUTION NO. 50

Mr. Arsenault presented the following resolution, and moved its passage with a second from Mr. Morehouse to allow the Johnsbury Emergency Squad to expand its space in the Sodom Community Center building by an approximate twelve (12) feet; the Town Board noted that all Zoning and Warren County Building Codes must be followed and all normal paperwork channels be followed. With 5 members voting in favor, the resolution is declared carried. Ayes- 5 (Arsenault, Morehouse, Stevens, Vanselow, Goodspeed) Nays – 0

RESOLUTION NO. 51

Mr. Stevens presented the following resolution and moved its passage with a second from Mr. Arsenault:

Comptroller’s Office had been conducting a Risk Assessment Audit; this audit included interviews with the Accounts Clerk, Secretary to the Supervisor, Town Justice, Town Clerk and Supervisor, as well as reviews of Town financial documents. Supv. Goodspeed said that the

official conducting the audit had said upon finishing that he found nothing to recommend a further audit and that he was generally comfortable with the processes in operation.
