

North Creek Ski Bowl Disaster Resiliency Project Overview

Background:

The "Halloween Storm" of 2019 caused significant damage to the entrance of Ski Bowl Road and the surrounding area. FEMA covered the cost of replacing the road. However, the Town of Johnsbury has expressed interest in implementing a project that would build resiliency from future storms.

Funding Opportunity:

FY 2019 EDA Disaster Supplemental Notice of Funding Opportunity

Applicant:

- The Town of Johnsbury is the applicant
- The Lake Champlain-Lake George Regional Planning Board will prepare the application and administer the grant, if awarded

Project Scope:

- Design and construction of drainage improvements to eliminate erosion caused by future storm events
- Project area will include the drainage ditch along the baseball fields and the drainage around and beneath the intersection of Dump Road/Ski Bowl Road

Project Budget:

	Estimated Project Costs
Construction	\$264,000
Design	\$50,000
Administration	\$10,000
Total	\$324,000

Local Match:

	Estimated Project Costs
Total Project Cost	\$324,000
Total Grant (80%)	\$259,200
Total Match (20%)	\$64,800

North Creek Ski Bowl, November 2019
